FAQ Items

Q: Is my data secure? A: Yes. All data is isolated by firm ID with row-level security on Convex. We’re NDPA 2023 compliant, offer 2FA, and never train AI on your data.

Q: Can I pay in Naira? A: Absolutely. We integrate with Paystack for card, bank transfer, and USSD payments. Manual bank transfer with proof upload is also supported.

Q: What’s the difference between Vega and Atrium? A: Vega is for law firms — matter management, legal drafting, court reminders. Atrium is for property managers — rent collection, resident portals, visitor management. Komplete combines both.

Q: Is there a free trial? A: Yes. Vega offers a 14-day free trial on all paid tiers. Atrium offers a 14-day trial. Sentry Pass includes a 14-day free trial as an add-on.

Q: Do you offer support? A: Yes. Email support for all tiers. WhatsApp support for Growth and above. Dedicated account manager for Enterprise.
